APRIL 2018

Restore the body. Refresh the spirit.

Bringing glory to God by meeting the physical, emotional and spiritual needs of those without adequate resources.

There is nothing like a good story to make your day. Recently a dental patient sent us this photo with the caption, "I would like to thank you - all of you - but especially the dental team. It has been literally decades since I have smiled like this in public. I am more grateful to you than I can even begin to express. Thank you for doing what you do and for caring the way you do."

Thank you for making our dental program possible and making a difference like this possible!

Renovation volunteers needed. DO YOU LIKE TO PAINT, MOVE THINGS OR DESTROY THINGS?

April 25, 26, 27 and 28 there will be opportunities to help move furniture and prep for all the dust. If you are interested in helping let Kim, Volunteer Coordinator, know (kim@hishandsclinic.org). Evening times will be available.

On May 3, 4,5, and 8 we will need cleaning and painting help. Again if you are interested let Kim know. Evening times will be available.

The plans for the renovations are in the break room. In a nutshell we are expanding the pharmacy, putting in privacy windows in the reception area, making a staff and volunteer workspace in the break room, making a break room in the Healthy Living Area, and putting in an accordion wall in the Healthy Living Area so that we can have 2 activities at once in that room.

THANK YOU!

Save the date June 10 is Praise on the River. We will have a volunteer sign up next month!
