

# Living in HD: Burdened

Pastor Bill Reirden

Hebrews 12:1-2

October 17, 2010

1. Jesus talks a lot about the cares of this world and their dangers. Have they ever affected your spiritual life? What methods have you used for dealing with them?
2. What is your biggest worry right now? Did any of the “cloud of witnesses” deal with it?
3. What is the difference between loving your fellow human being and people pleasing?
4. According to statistics 95% of all addictions start with some form of co-dependency. What other snares can being a people pleaser lead to?
5. Most people judge being a Christian and ultimately Christ by what happens at church. Have you ever done this?
6. Why is it important for you to keep your eyes on Jesus?
