It can only mean one thing....Jesus is attracted to _____.

Holiness draws us to the least of these.

This should be a sign of _____.

Sinners are attracted to Jesus because they can be _____ with Him.

We need to be honest with ourselves first.

We cannot honestly love "the least of these" until we are first honest with _____.

He Lost

He Gained

Job

Good Income

Comfortable security

Selfishness

Holiness changes the way you see people and _____.

Holiness, through Christ, gives us power to be involved with sinful people and situations without being stained by them.
